**10<sup>th</sup> - 11<sup>th</sup> October 2025  
Bangkok, Thailand**

**Hybrid (In-Person and Online)**

## Call for Papers

The global elderly population is growing rapidly and is projected to account for nearly 17% of the total population (approximately 1.6 billion people) by 2050. Currently, over 1 billion individuals aged 60 and above (primarily in low and middle income countries) face significant social, economic, and healthcare challenges.

6th International Conference on Gerontology and Geriatrics Medicine 2025 (SilverAge 2025) aims to raise awareness about the challenges that occur due to the speed of population aging and the experience of being old in this contemporary world aligned with the United Nations Decade of Healthy Ageing (2021–2030).

We are delighted to invite researchers, healthcare professionals, policymakers, and students to submit their original research work, review articles, and case studies for presentation at the 6th International Conference on Gerontology and Geriatrics Medicine 2025, to be held on 10, 11 October in Bangkok, Thailand.
